

Great News for IAAMB Members!

Relax...we've got you covered.

HED Insurance and Risk Services, HED, in partnership with the International Association of Animal Massage & Bodywork, IAAMB, is proud to be the endorsed provider of a specialized insurance and risk management services program for members across Canada. For over 25 years, HED has specialized in helping Canadian associations, buying groups, and independent businesses save money while providing the right level of coverage through specialized group insurance programs.

We understand that your business and the risks you face are unique; we are here to help you with your insurance needs.

Our guarantee to you:

- We will understand your business.
- In conjunction with the IAAMB, we have created a specialized insurance program for Canada's animal massage and bodyworks professionals. We will work with you to determine the "right" level of coverage to meet your particular needs.
- You have the assurance of convenient and professional administration.
- We will provide consistent and ongoing nationwide sales and service support for your insurance needs.
- As a participant in the IAAMB Insurance Program, you have the benefit of strength in numbers with preferred group rates.
- The new IAAMB insurance programs will provide each member with immediate premium savings and long-term rate stability.

Important Program Details

Commercial and Professional Liability Insurance

- All participating members under the new program will have an HED representative review current coverage limits, including building evaluations, and provide coverage recommendations.
- Various coverage options including deductibles are available.
- Coverage for legal expenses arising from any complaint, disciplinary hearing or review under any professional discipline legislation is included under the professional liability section.

How Can you Take Advantage of the New Program?

HED sales representatives will be contacting practitioners across Canada over the next couple months to help you with your insurance needs and answer important program questions you may have.
